Dear Community Members,

We are delighted to be the key sponsor of this year's Family Fun Day!

As a local business — and as a proud parent of four girls who grew and thrived at Normanhurst West — this community means the world to me. It's where friendships begin, families connect, and children discover who they can become.

We believe early education is the foundation for lifelong learning — where curiosity blossoms into knowledge and potential becomes purpose.

By supporting the NWPS Family Fun Day, we're celebrating the heart of our neighbourhood and the people who make it special.

Join us on Sunday, 2nd November, for a day filled with laughter, connection, and community spirit.

Your support makes all the difference — let's make it a day to remember!

With warm regards,

Karen, Chloe & Lubica
